KEEP AUSTRALIA

STRONG, FAIR AND FREE

Mainstream values and freedoms have been the bedrock of Australia's growth as a Western liberal democracy. Our forefathers' steadfast pursuit of these values has brought us to where we are today – a strong, safe and free nation.

But the Australia we know and love is under threat.

Our previously strong democracy is suffering from weak leadership and the impact of left-wing activists who are determined to change the Australian way of life.

Your support will ensure that together we can raise a strong voice for the Australia we know and love, and move forward on the firm foundation of Australian values and freedoms.

☑ ***I want to help Australia keep moving forward on the firm foundation of mainstream values.***
