

The background is a light blue grid pattern with several large, irregular watercolor-style washes in yellow, pink, and light blue. Scattered throughout are various hand-drawn blue line-art illustrations: a smiling sun in the top left, a book in the upper middle, a pencil and a ruler on the right, an apple in the lower right, a test tube at the bottom right, and a cloud at the bottom center. There are also small pink and blue dots scattered across the grid.

First Day Of YEAR 12

$$a + b = c$$
