

PARTICIPANTS NEEDED

ARE YOU AN **EDUCATOR** WORKING IN LICENSED CHILD CARE WITH KIDS YOUNGER THAN 6 YEARS OLD?

We are interested in talking with you about your work experiences.

Your experience matters...Tell us about it!

WHAT IS REQUIRED OF PARTICIPANTS?

1. Answer a questionnaire over the phone to determine your eligibility for the study.
2. Participate in two 1-hour phone or online interviews.
3. Complete a workday diary for one work day.

WHO QUALIFIES?

- Educators working in a licensed centre or home-based child care located in the small towns and rural areas in the counties of Nipissing/Timiskaming, Sudbury/Manitoulin/Parry Sound, Algoma or Cochrane.
- Educators providing care to children younger than 6 years old.
- Educators with and without formal registration or certification in the early childhood education field.

WHAT WILL YOU GAIN?

- You will be part of an important study to inform the development of a Canada-wide workforce strategy for early childhood education.
- Up to \$300 in financial compensation if you participate in all parts of this study.

This project is funded by the Government of Canada.

If you have questions or would like to participate in this study, please contact us at:
