

Meet the ECE: Ms. Filby

About Me:

Hello! My name is Erin Filby. I've been an Early Childhood Educator for 4 years, and a kindergarten educator for 2 years. I love outdoor adventures, and helping children feel inspired and at home in nature. Kindergarten might look a little different this year, but (OTC name) and I will do everything we can to make sure all our students are happy and safe at school.

The Kindergarten Partnership

Kindergarten is a unique time for young learners, and the kindergarten partnership is unique too! (name of teacher) and I work together to plan and implement the program. Together we focus on age-appropriate program planning that promotes your child's physical, cognitive, language, emotional, social and creative development and well-being. That looks like lots of PLAY, because we know that that's how many kindergarteners learn best.
