

Kindergarten is
a **unique** experience,
and **kindergarten teams**
have a **unique**
partnership!

"Teachers and Early
Childhood Educators work
together to plan and
implement the program and
to maintain a healthy
physical, emotional, and
social learning environment"⁽¹⁾

"ECEs have knowledge of early childhood
development, observation skills and
assessment skills. They bring a focus on age-
appropriate program planning that promotes
each child's physical, cognitive, language,
emotional, social and creative development
and well-being."⁽²⁾
