

PROFESSIONAL PAY & DECENT WORK FOR ALL

Raising the voice of ECEs in the Decent Work Movement

The Association of Early Childhood Educators Ontario (AECEO) has partnered with the Ontario Coalition for Better Child Care (OCBCC) and with the Atkinson Centre to work across Ontario to raise the voice of the early childhood workforce in the movement for decent work and shared prosperity.

The Professional Pay & Decent Work forums provide a positive and engaging space for all – no matter where you work in the child care sector. The forums aim to increase dialogue and broaden understandings of decent work in the early childhood sector. Participants attending the forum should expect engaging conversations, networking and organizing, useful resources and skill building opportunities so that we can all take on a leadership role within the movement for professional pay and decent work.
