

Support Services for Flight Attendants April 23, 2020 –July 11, 2020

“Stress and Health: What Actually Gets Injured? The Impact of Stress on Our Daily Lives and Building Resilience” by Kevin McCauley

In this presentation, we will explore the physiology and pathophysiology of stress and trauma, how this science translates into effective strategies to minimize the impact of stress on our lives, avoid turning stress into trauma, and build resilience in order to live a long life.

Thursday, April 23, 2020-4:00 pm-5:00 pm EST

You must register before the lecture: <https://catalog.pesi.com/item/59173>
