

A Path of Light

-A Walk-

For Our Aboriginal Sisters

We are honoured to host our first ever National Aboriginal Day celebration - A Path of Light. Our gathering is a walk to recognize our Aboriginal sisters and to allow our community to holistically heal together. Canadian's in unison can bring their spirit back into 'A Path of Light'. United we can be a voice for our missing sister's spirits, so our government will hear and take action for them.
