

What to Pack for the AFL Kids' Camp

Gathering and packing the proper clothing and equipment is a very important part of your child's camp experience. The following is a list and some tips that will help your camper come well prepared for camp.

List of Necessary Items

Shorts and jeans or long pants (no jeans on certain activities)
T-shirts and tops
Underwear and socks (In case of rain, we ask that extra socks are packed)
Sweaters or sweatshirts for cool evenings
Bathing suit and beach towel
Sun hat and sunglasses
Runners (*please do not send flip flops for your campers to wear*)
Rainwear including rubber boots
Old blanket for campfire
Sleeping bag, pillow and pajamas
Laundry bag
Towel and facecloth
Soap, toothbrush and toothpaste, sun screen, comb, and other toiletries
(*Must have zip lock bags for all toiletries with child's name clearly marked*)

Day Pack

Backpack Bug Repellent Hat Sunscreen Water Bottle

Optional Items

Reading Material Board Games Union Swag (pins, buttons, stickers, etc.)
Musical Instrument Stuffy Diary/Journal Flashlight

Please DO NOT bring junk food, knives, electronic games or other electronic devices to camp. These items will be confiscated and returned at the end of camp.

Please ensure that your child eats or brings breakfast as well as something for lunch on the trip to camp. Children will receive a boxed lunch for the return trip. Money to purchase food may be sent with your child however, the driver may not have an opportunity to stop.

Packing

Please label the outside of your camper's suitcase or duffel bag. Make sure your camper can identify all their luggage.

Make sure your camper has a hand in packing as this will make them more aware of what was brought to camp, and will make packing to go home easier. Pack old clothes that the child will remember and feel comfortable in, not unfamiliar new clothes. Throw in a laundry bag (to help keep the dirty clothes separate from the clean ones).

Rain Gear

All campers will be participating in outdoor activities despite any rainy days, so your child needs rain gear in which they can be active. **Rubber boots are essential and should be labeled**, as they all look the same. All activities will go – rain or shine!
