

Information about the 2019 AFL Kids' Camp

Talk to Your Camper about Camp

It's a great idea for parents to talk with their child about their upcoming camping adventure in order to build enthusiasm and set expectations for the camping experience. Please share the information in this package with your child as you feel is appropriate. Be prepared to give your child a happy send-off. Don't let your child feel you are sorry to see them go, but send them off in a spirit of eager expectancy. Also ensure that your child is interested in attending. It places everyone in a challenging position when the child does not want to be at Camp.

About Homesickness

When kids are away from home for the first time a mild or severe case of homesickness can be as real as a stomach ache. Understanding parents realize that it is something your child may need to experience and see through to the finish if they are to become self-reliant and mature. Our staff is trained to detect the early symptoms of homesickness and to deal with your child in a caring, intelligent manner.

Discipline

Our staff is trained to deal with discipline in a caring and effective manner. It is important to us that your child exhibit responsible and safe behaviour during camp. In some cases where a child's behaviour becomes detrimental to the other campers or themselves we may ask the parent/guardian to remove the camper from camp. No alcohol or drugs are allowed. Possession of alcohol or drugs will be grounds for expulsion and anyone in possession of alcohol or drugs will not be allowed to attend camp in future years.

Helping Hand Awards

Each day campers are expected to help in a short general camp clean up, and then are given time to put their own cabin in order. Duties include setting and clearing tables and picking up litter around the campsite. Wiping their tables after each meal, clean up spills from the floor and place their chairs on top of the tables in the evening after dinner. Campers will receive awards for this behaviour. Cooperation of campers in all activities is valued and appreciated.

Phone Calls

We do not allow calls from camp, except in extenuating circumstances. In cases where parental consultation is required, a camp staff member will accompany the camper for the call. On occasion, a staff member may call you to discuss behaviour or special circumstances.

Emergency calls to your camper should be directed to the AFL Kids' Camp Director Siobhan Vipond cell number at (780) 868-7379.

In Case of Injury or Sickness

A nurse is available at all times. In the event of a serious injury or illness you will be contacted as soon as possible. If a trip to the hospital or doctor is necessary, a nurse will accompany your child and you will be contacted. If your child requires any prescription drugs, we will pay for them and then bill you.

Camp Program

Campers will enjoy a variety of activities including swimming, canoeing, hiking, group challenge initiatives, games, and sports. We will also spend some time each day learning about unions. All programs are taught and supervised by qualified adult instructors. Activities go rain or shine and everyone must participate.

Transportation

The AFL will make arrangements for transportation from Calgary, Red Deer, and Edmonton to and from Camp Goldeye depending on requirements of the campers. If your child requires transportation from these locations, it is necessary that the transportation information on the registration form be filled out and returned to the AFL by **July 14th**.
