<b>Notes:</b>	
1. Source: Foreign Worker System (FWS).	
2. The tables shows a list of employers in Alberta with positive Labour Market Opinions (LMOs) with an hourly wage of \$9.75 approved between September 1,2012 and June 17,2013.	
3. One LMO application may be submitted by an employer for any number of Temporary Foreign Worker (TFW) positions for a particular occupation (ie Welder). LMOs related to hiring a skilled worker for a permanent position (arranged employment opinion) are not included.	
4. The decision to issue a work permit rests with Citizenship and Immigration Canada (CIC) and Canada Border Services Agency (CBSA). Not all positions on positive LMOs result in the issuance of a work permit: on average 59.1% of positions on positive LMOs obtain a work permit. In addition, it takes on average 105 days between the date an LMO decision is rendered and the date the TFW obtains a work permit from CIC and/or enters Canada.	
5. Not all TFWs require an LMO to apply for a work permit. A number of exemptions exist, including those provided in the <i>General Agreement on Trade in Services</i> and the <i>North American Free Trade Agreement</i> .	
6. The numbers appearing in this table may differ from those reported in previous HRSDC releases. These differences are adjustments to administrative data files as normally occur over time and reflect refinement in methods of calculation for the purpose of increasing accuracy in the way statistical information is presented.
