

Extending Melbourne Metro: update

After the reviewing advice from the Parliamentary Budget Office, the Greens will commit the following funds towards our policy of extending the Melbourne Metro project:

- Melton electrification: \$500m over 5 years, starting in the 2019/20 financial year
- South Yarra Station: \$970m over 4 years, starting in the 2019/20 financial year
- Clyde extension: \$1.2b over 5 years, starting in the 2020/21 financial year
- Station upgrades for South Yarra, Caulfield and South Kensington stations: \$240m over two years starting in the 2019/20 financial year
