UPHOLDING THE AMERICAN DREAM

Annual Awards Dinner

Americans for Immigrant Justice’s (AI Justice) Annual Awards Dinner is our signature event, for both increasing awareness about the work of AI Justice and for raising funds to support the delivery of direct services. Consistently attended by 600 of South Florida’s civic, legal, economic, social, and educational leaders, the dinner highlights our work and our clients. We also recognize individuals who have advanced the cause of human rights. Our Annual Awards Dinner is an opportunity to support the vital work being done on behalf of all of us who value justice and believe in defending the rights of those who can least defend themselves. The proceeds raised from this event make it possible for AI Justice to continue Upholding the American Dream.
