

# Code of Conduct

**The Alberta Liberal Party believes in Individual Primacy, Legal Equality, Representative Democracy, Economic Liberty, Human Dignity, Intellectual Prosperity, and Environmental Sustainability. It is the expectation of the Party that all Leadership Candidates conduct themselves at all time in accordance with these ideals and with regard for the history and traditions of the Party.**

I am a member and am running to be the Leader of the Alberta Liberal Party and will retain full membership with the Party through the Leadership Race.

I know that, as a Leadership Candidate, I am an ambassador of the Party and my vision for it.

I will promote my vision for the Party fairly and factually.

I will be respectful to those who disagree with me and engage in healthy debate with them on ideas and issues.

I will not act in any way that would negatively impact the public image of the Party.

I will not make statements in any media that would disparage the Party.

My fundraising and other campaign activities will be in line with the principles of the Party.

I acknowledge that I will be privy to other people's personal information during the Leadership Race and will treat it with the legal protections required.

I will participate in events organized by the Party to promote the Leadership Race.

I will attend the announcement of the results of the Party and my campaign will stay and host all events at the venue selected by the Party.

I am not a spokesperson for the Party; that is the Executive following the direction of the Board of Directors.

I will work with other Liberals for the good of the Party.

I will not engage in illegal conduct.

I will keep full documentation of my activities during the Leadership Race and will present them to the Party upon request.

I will be respectful to other campaigns and their volunteers.

My volunteers will be bound by this same code of conduct as I am.

I will be respectful of all people and will not participate or condone discriminatory conduct or statements.

All my communications will be clear, truthful, and accurate.

I will be respectful with Party resources afforded to me and will not perform any prohibited acts with them.

I am free to deal with other charitable, community, personal, and Federal political organizations during the Leadership Race but will clearly make it known that my actions and views are not those of the Party.

**I have read and agree to comply with the letter and the spirit of this Code of Conduct, the Rules, the By-Laws, and all applicable legislation that I am bound by during the Leadership Race and will report any suspected violations of these to the Alberta Liberal Party Leadership Co-Chairs promptly.**
