Dear Secretary General

On behalf of the United Kingdom Liberal Democrats, I have pleasure in nominating Baroness Sal Brinton, our outgoing Party President, as a candidate for Vice President of the ALDE Bureau.

Baroness Brinton, in her role as our President, has regularly attended ALDE Party Congresses, and is a convinced European and Internationalist. She is, of course, well known in the Liberal Family in Europe and worldwide.

As a senior political figure in the United Kingdom, she has defended our membership of the European Union and contributed to our standing as the only major, united Remain Party in the Union.

She is keen to use her skills for the benefit of ALDE and its member parties and I fully endorse her candidature.

Kind regards
