Dear Jacob,

I am very pleased to formally nominate Deputy Timmy Dooley for the position of Vice President of the ALDE Party.

During his time as Vice-President of ALDE, Timmy has worked hard to help the party to expand and also to be inclusive in its work. I believe he has helped lay the groundwork for the future expansion of ALDE and reinforced its reputation as a Party which respects all members equally. I know that, if re-elected, Timmy will redouble his efforts and do everything possible to help parties as they seek to grow and meet the serious challenges of securing a reformed Europe based on inclusive growth and the rule of law.

As you will be aware, Timmy serves as a member of the Dáil, our national parliament, and is our national spokesperson on Communications, Climate Action & the Environment. Each of these represents policy priorities for ALDE, and RENEW Europe in the European Parliament. In terms of the wider reform agenda to which we are all committed, Timmy has always promoted a positive agenda for Europe - one which protects the Union's great achievements and works to renew it in the face of unprecedented challenges

At this challenging time for the Union and its member states, we need to be even more assertive in working closely together to fight divisions and insist on the core liberal democratic ideals which have been central to every important advance in Europe for over 70 years. It is essential that we strengthen our common work.

Yours sincerely,

Micheál Martin T.D.,  
President  
Fianna Fáil
