**ALLIANCE OF LIBERALS AND DEMOCRATS FOR EUROPE (ALDE) PARTY /
ALDE PARTY MEMBER ORGANISATIONS**

Sofia, 6 September 2019

DEAR LIBERAL FRIENDS,

On behalf of the Bulgarian national liberal party Movement for Rights and Freedoms (MRF), I have the honour to nominate Ilhan Kyuchyuk for the position of Vice President of ALDE Party.

Ilhan Kyuchyuk is currently a Member of the European Parliament from the Renew Europe group and ALDE party Vice President. Since 2005 he has been vigorously advocating for the liberal values in Bulgaria and Europe. Starting as a member of Youth MRF, the largest liberal youth organisation in Europe with more than 20000 members within LYMEC, becoming later its President, today Ilhan is involved in numerous international political activities fighting for more tolerant and democratic Europe.

While working together with the offices of the Friedrich Naumann Foundation in Central and Eastern Europe, he put tremendous energy into engaging with the Liberals in the countries of the Western Balkans and Eastern Europe and encouraging them to organise. He is a key contributor to the work of LIBSEEN, the Liberal South East European Network, a regular speaker for the European Liberal Forum and participant in series of ALDE, LYMEC, IFLRY and Liberal International events.

Mr Kyuchyuk is an experienced politician despite his young age. As a member of the Foreign Affairs Committee of the European Parliament, he has devoted his work and continuous effort to defending human rights and the rule of law, promoting liberal democracy and campaigning for a stronger global role of the EU.

Last, but not least, the Movement for Rights and Freedoms believes that during his two terms as Vice President of the ALDE party, Ilhan Kyuchyuk demonstrated the highest level of commitment to the liberal family and displayed meticulous, energetic and faithful efforts in promoting the liberal cause.

Considering the above, we gladly and strongly support him for running for re-election in the upcoming ALDE Party Congress in Athens.

Sincerely yours,

Mustafa Karadayi
President
Movement for Rights and Freedoms
