

TOP CHEF GUIDELINES SUMMER 2020

Thank you for your continued support for the families we serve!

Due to the recent fire in our Green House and social distancing requirements, dinner is now served in two separate locations. When preparing or ordering a meal for *Alexandria House*, we ask that if at all possible, please divide the meal into 2 separate orders for 20 people each. Here are some options:

1. Cook & Drop

Prepare a meal in your home kitchen. Please be aware we have one child with a peanut allergy so we ask that you refrain from using peanut or other nut oils in any foods. Disposable dinnerware and drinks are helpful too!

2. Double Your Support!

We are offering the option of having a Past Resident prepare dinner. This helps twofold; your support provides dinner for our families and it supports an *Alexandria House* community member. We know some excellent cooks!

If you choose this option, please contact Alejandra at alejandra@alexandriahouse.org to pick a date. You can then go to alexandriahouse.org/donate and make your donation. Please add a note designating your donation for "Top Chef". Mailing a check is also an option, please include "Top Chef" in your memo.

Our suggested donation is \$350.00.

3. Support a local woman owned business!

Please visit Tawanna's website! We invite you to support Tawanna and *Alexandria House*! You'll love what you see!

4. Order & Delivery

Another possibility is ordering from local restaurants. Following are recommendations of local small businesses you may want to support. Please let us know whether the delivery will include disposable dinnerware, utensils and drinks (this would be very helpful!).

This is a great way to support local small businesses as well as provide for our community!
