# Petition Calling for Improved Pedestrian Safety and Access on Moore Park Road

*To the Honourable Speaker and Members of the Legislative Assembly of New South Wales*
*This Petition of the people of New South Wales brings to the attention of the House:*

Current traffic arrangements put pedestrians at risk in Moore Park Road. There are few safe crossings in Moore Park Road with only four sets of lights with pedestrian signals between Anzac Parade and Oxford Street. The major intersection at Anzac Parade provides no legal pedestrian crossing over Moore Park Road, forcing pedestrians to take significant detours to Surry Hills or to the crossing at Greens Road where multiple lanes with vehicles travelling in different directions puts pedestrians at risk. This leaves no safe route for pedestrians on the desire line between Moore Park and Paddington.

***The undersigned petitioners therefore request that the government provide safe pedestrian crossings along Moore Park Road.***
