Petition Calling for a Ban on ‘Pig-Dogging’

To the Honourable Speaker and Members of the Legislative Assembly in NSW
This petition of the people of New South Wales brings to the attention of the House:

The practice or ‘sport’ of pig-dog hunting or ‘pig dogging’ represents the cruelest and most barbaric form of hunting in NSW. It also has a range of associated social, animal welfare and ecological issues.
Pig-dogging involves the tracking, bailing, pinning and mauling of wild pigs by specially-blooded dogs. A hunted pig can suffer sever, extensive and prolonged stress, hurt and injury before a brutal and often slow death which can also result in extensive injuries to dogs.

The undersigned petitioners therefore ask that this brutal blood ‘sport’ be banned.
