### From The Chairman

Dear Fellow Republican,

While the Presidential Election did not go as we hoped, there is still much to be celebrated for Allegheny County Republicans.

For starters, we retook the 37th State Senatorial District with candidate, and now State Senator **Devlin Robinson**.

All Republican State House candidates in Allegheny County won their reelections. **Jason Ortitay, Valerie Gaydos, Lori Mizgorski, Mike Puskaric, Natalie Mihalek, and Bob Brooks** were all reelected for another two year term.

Finally, new candidates **Rob Mercuri** kept the 28th Legislative District Republican and **Carrie DelRosso** beat the long time incumbent and Democrat Leader in the 33rd District.

Now is not the time to rest on our laurels. [Continue reading below to learn how you can get involved in your community.](#)

Sincerely,

Sam

## 2021 Municipal Elections

It is understandable that so many people focus their attention of certain public offices. Not a day goes by that we don't hear something about the President, Congress, United States Senate, or Pennsylvania Governor.

But we should not forget about all of the important elected officials right where we live. Elected **school boards** decide how our local education tax dollars are spent and what extracurricular programs our schools offer. They decide if a school will have a band, science club, lacrosse team, volleyball team, and they decide how much our school taxes will be.

Township and borough offices such as **supervisors, councils, commissioners, mayors and elected tax collectors** play such important roles in how our local governments are managed and kept safe.
