

## County contact list for Medi-Cal assistance for Immigrant Californians

*The County Welfare Director's Association has established a list of liaisons at each County Welfare Department to assist immigrant Californians with problems related to Medi-Cal enrollment. This is not intended to be a list of individuals for the purposes of enrollment, but more for troubleshooting assistance. This list includes points of contact for undocumented adults, children, and Deferred Action recipients who experience difficulties in the Medi-Cal application process. This list is subject to change. If you are having issues contacting your specified county liaison, please contact Assmaa Elayyat at [aelayyat@cwda.org](mailto:aelayyat@cwda.org).*
