This is an urgent appeal and I need you to take a few minutes to read this letter.

Just days ago, a young man barely old enough to serve in Congress started an exploratory committee in an effort to create enough interest and raise enough money to get himself on the ballot as an independent candidate against me.

You will not believe the length to which this community organizer and his Wall Street friends will go to buy a seat in Congress.

As a college student in Washington, D.C., this individual founded a group called The Can Kicks Back. The Can Kicks Back claimed to be concerned about our nation’s debt and deficit. In reality, it is just another front group funded by Wall Street billionaire Pete Peterson.

Why are Pete Peterson and The Can Kicks Back so dangerous? Their goal is to increase tax loopholes for the largest corporations in the country and they plan to pay for this corporate giveaway to the Fortune 500 by cutting Social Security benefits for older Americans.

IT IS ESTIMATED THAT PETERSON HAS PROBABLY SPENT $500 MILLION JUST TO CUT SOCIAL SECURITY BENEFITS FOR HARDWORKING TAXPAYERS LIKE YOU.

One commentator recently suggested The Can Kicks Back’s strategy was, “to attempt the enlistment of millennials (young Americans age 18 to 25) in the effort to impoverish their grandparents.”

Within just a day of his announcement, this individual considering running against me claimed he had already raised $10,000. How much of that do you think was from Peterson and other Wall Street fat cats who want to get their hands on your Social Security benefits?

(over, please)
I need you now more than ever to help me fight back! I have taken on the liberals who want to raise your taxes and now I will take on the Wall Street interests who want to cut the Social Security benefits you have earned so they can collect more federal tax favors and subsidies.

I know my campaign can only win with your help. That is why I am asking you to be one of the first financial supporters of my reelection campaign this year by responding to this letter with a contribution of $2,600, $1,000, $500, $250, $100, $50 or $25 right away.

Help me send a message and we’ll let billionaires know that we mean business when we tell them to keep their hands off the Social Security benefits we have earned.

Thank you so much for standing with me again. I am taking this threat to my reelection seriously and I will need you to be with me if we are to win this November!

Your friend,

Tom Marino

P.S. Your help right now with a contribution of $2,600, $1,000, $500, $250, $100, $50 or $25 right away will make a huge difference and send a message that Wall Street can NOT buy this congressional seat! Please use the enclosed “Emergency Reply Form” and reply envelope to send your contribution in today!
