

[Town/City/County] of \_\_\_\_\_  
RESOLUTION 2013-\_\_\_\_\_  
**SUPPORTING THE FULL AND PRESENT IMPLEMENTATION OF  
THE TRANSFER OF PUBLIC LANDS ACT (HB148 2012).**

WHEREAS, at statehood, the federal government promised all states that it would transfer title to the public lands within the newly created states; and

WHEREAS, the U.S. Supreme Court has called these promises "solemn compacts," "bilateral agreements," and "trusts" that must be performed "in a timely fashion"; and

WHEREAS, Utah and the other western states are still waiting for the federal government to keep the same promise to them that it made and kept with all states east of Colorado; and

WHEREAS, states like Illinois, Missouri, Indiana, Florida, Louisiana, Arkansas, Alabama, Mississippi were once as much as 90% federally controlled for decades; and

WHEREAS, these "western states" (as they called themselves at the time) succeeded in compelling the federal government to transfer their public lands because they understood the history of the public lands and the duty of the federal government to dispose of the same, and they banded together and refused to take "No" for an answer because federally controlled public lands prevented them from (i) generating tax revenues to educate their children, (ii) growing their economies, and (iii) responsibly managing their abundant natural resources. (See, [www.AmericanLandsCouncil.org](http://www.AmericanLandsCouncil.org) for more information); and

WHEREAS, despite the fact that the promise is the same to dispose of the public lands upon being admitted as states, states east of Colorado have less than 5% federally controlled lands, while the Western States (excluding Hawaii) have more than 50% federally controlled lands; and

WHEREAS, in Utah, the federal government controls nearly 65% of our lands; and

WHEREAS, withdrawals of public lands from use and economic activity, through such federal action as monuments and wilderness designations, constricts the value of Utah's School Trust Lands and reduces the funds available for educating our children; and

WHEREAS, state and local government officials have a crucial responsibility to manage our abundant lands and resources strategically and prudently for the health, safety and welfare of our citizens; and

WHEREAS, in the 2012 session, the Utah House and Senate passed by supermajorities the Transfer of Public Lands Act and Joint Resolution on Federal Transfer of Public to establish the framework and a deadline for the orderly transfer of federal public lands to the State; and

WHEREAS, under the Transfer of Public Lands Act, federal public lands will become state public lands to be managed through local planning for the multiple-use (including traditional uses like hunting, fishing, recreation, grazing, open space, economic activity, etc.) and the sustained yield of our abundant natural resources on state public lands; and

WHEREAS, the Transfer of Public Lands Act has received broad support from the governor, attorney general, state legislators, members of Utah's congressional delegation and other public officials, and private individuals and organizations within the state and in our neighboring western states; and

WHEREAS, our neighboring western states are looking to Utah to lead out on the persistent and relentless implementation of the Transfer of Public Lands Act as they prepare legislation to join with Utah; and

WHEREAS, the implementation of the Transfer of Public Lands Act will require the persistent and relentless efforts of Utah's governor, attorney general, legislature along with the unwavering support of local governments and public and private individuals and organizations.

NOW THEREFORE BE IT RESOLVED BY THE GOVERNING BODY OF \_\_\_\_\_ THAT the [Town/City/County] of \_\_\_\_\_ wholeheartedly supports the passage of the Transfer of Public Lands Act in order hold the federal government to its long-overdue promise to transfer title to public lands to the State, to protect the State's public education system and economic vitality, and to preserve the important historical and cultural contribution that our public lands provide to the State of Utah, the nation and world; and

BE IT FURTHER RESOLVED THAT the [Town/City/County] of \_\_\_\_\_ calls upon its fellow towns, cities, and counties to do all in their power and influence to support Utah's elected including particularly Utah's governor, attorney general, legislature, congressional delegation and county commissioners to exert their utmost abilities, influence and authority to fully implement the Transfer of Public Lands Act and secure the transfer of our public lands to the State, with time being of the essence.
