**AMERICANS FOR SAFE ACCESS** is the nation’s largest member-based organization of patients, medical professionals, scientists and concerned citizens promoting safe and legal access to cannabis for therapeutic use and research. ASA is dedicated to meeting the immediate needs of medical cannabis patients and their providers while creating a movement to promote safe and legal access.

ASA works to overcome political and legal barriers to policies that improve access to medical cannabis for patients and researchers by engaging a multifaceted strategy that incorporates grassroots development, public education, impact litigation, media campaigns, advocacy, and direct support services.
