How to Become a Medical Cannabis Patient in New Jersey

1. See if you have a qualifying condition.
   - Seizure disorders
   - Muscular spasticity
   - Glaucoma
   - HIV/AIDS
   - Cancer
   - Chronic or severe pain
   - Severe nausea or vomiting
   - Wasting syndrome
   - PTSD
   - ALS (Lou Gehrig’s disease)
   - Multiple sclerosis
   - Severe muscle spasms
   - Muscular dystrophy
   - Ulcerative colitis or inflammatory bowel disease, including Crohn’s disease
   - Terminal illness, if the physician has determined a prognosis of fewer than 12 months of life.
   - Anxiety
   - Chronic pain related to musculoskeletal disorders
   - Chronic pain of visceral origin
   - Migraine
   - Tourette’s syndrome

2. Find a physician who will certify your condition.

   Visit https://safeaccess.us/NJ-Physicians to find a participating physician

3. Provide information, proof of ID, and payment.

   Visit the New Jersey Medicinal Marijuana Program (MMP) website at https://njmmp.nj.gov/, and open the Patient Registration page to begin the registration process.

   There is a $100 fee for registering, with a reduced fee of $20 for veterans, senior citizens, and individuals utilizing public assistance.
4. You may now obtain medicinal marijuana at any of the following Alternative Treatment Centers (ATCs).

- Compassionate Care Foundation  
  Egg Harbor Twp  
  (609) 277-7547  
  Cranbury  
  (609) 703-7300

- Greenleaf Compassion Center  
  Montclair  
  (973) 337-5670  
  Bellmawr  
  (856) 933-8700

- Garden State Dispensary  
  Woodbridge  
  (848) 999-2005

Coming Soon - Harmony Foundation  
Secaucus  
(201) 356-7268

- Patients and caregivers should always carry proper identification, including MMP cards, at all times.
- Medicinal marijuana always should be maintained in its original labeled packaging.
- If transporting or possessing medicinal marijuana outside their residence patients and caregivers should keep the amount in their possession to a minimum and, as stated above, always should be maintained in its original packaging.
- Patients and caregivers are not allowed to share, or in any other way re-distribute medicinal marijuana to any other person. Medicinal marijuana is intended solely for the consumption of the patient.
- Patients may possess paraphernalia, but only for the purpose of consuming medicinal marijuana.
- Patients and caregivers may not grow or cultivate marijuana, or be in possession of a marijuana plant.
- Patients and caregivers may not possess marijuana obtained from a source other than a New Jersey ATC.
- Patients may not operate a motorized vehicle (of any sort), aircraft, railroad train, stationary heavy equipment or a vessel while under the influence of medicinal marijuana.
- Patients may not smoke medicinal marijuana in a school bus, on public transportation, or in a private vehicle while in motion. Additionally, patients may not smoke medicinal marijuana on any school grounds or at any correctional facility, public park, beach, recreation center, or other place where smoking is prohibited.
- Patients and caregivers may not take medicinal marijuana across state lines.
