Delegate Education Program

Delegate Unit 1 Representing your members - 3 Day Course

Delegate Unit 2 Building workplace and union organisation - 2 Day Course

This course is aimed at new delegates, with the goal to attend Units 1 & 2 within the first 6 months of being elected. This course provides new delegates with the key skills and knowledge needed to fulfil their role. It is presented in two parts over approximately 6 weeks. Delegates should apply for release from their employer for both the Unit 1 (3 days) and Unit 2 (2 days).

Delegate Unit 3 Bargaining at work - 3 Day Course

This is a 3 day course which focuses on negotiating with management. It deals with general day to day negotiating as well as enterprise bargaining. It is encouraged that delegates participate in this course once they have completed the Unit 1 & 2, or the Experienced Delegates course. The course may be of particular relevance for delegates who are approaching an enterprise bargaining period.

Delegate Unit 4 Dealing with change - manufacturing, industry development and global issues - 3Day Course

This is a 3 day course which focuses on future trends in the manufacturing industry and the union response to these trends. This course is the final unit in the main delegate program. It is aimed at delegates with at least two year's experience. The normal progression will be for delegates to enter this course having completed the previous units.
