Details:

Rules regarding the timetable of the election were set aside as the AEC held concerns that the coronavirus pandemic may impact on the ability for stakeholders to fully participate in the election. A timetable for the conduct of the ballot which varied from the rules was set when the AEC was satisfied that stakeholders would be able to fully participate.

Rules requiring an in-person ballot were set aside as the AEC held concerns that the coronavirus pandemic would impact on the ability for all stakeholders to attend. Instead the ballot was conducted via post.

Rules specifying the method of lodgement of nominations were set aside as the AEC held concerns that the coronavirus pandemic would impact on the ability for potential candidates to nominate. Instead nominations were received electronically, via email/the AEC's portal.
