

## Template Workplace Resolution

This meeting of AMWU members at (workplace) \_\_\_\_\_ notes the report from our organiser about proposed changes to apprenticeships that would remove the vital practice of workplace learning.

We are appalled at the changes proposed by the Government that would destroy apprenticeships as we know them and degrade our trades.

This meeting resolves the following:

- We acknowledge the vital contribution skilled tradespeople make to the training of apprentices;
- We commend the AMWU on its national campaign to keep apprentices on the tools;
- We commit to supporting the campaign in any way possible;
- We encourage all AMWU apprentices to attend the scheduled online apprentice mass meetings being held on Monday the 16<sup>th</sup> of November
- We condemn the Government for their attempts to remove workplace learning from apprenticeships.
