PROJECT: Runnymede Phase 1	PROJECT INFORMATION #: X18267	
WARD: Davenport (Ward 18)	ACTIVITY: Underground Civil & Electrical	EXPECTED TIMELINE: March 2018 - December 2018

February 14, 2018

Dear Valued Customer,

**Re: IMPORTANT NOTICE: Underground Construction
Project Runnymede Phase 1 (X18267)**

We're planning to rebuild the aging underground electrical system in your community to help improve service reliability. The rebuild includes the replacement of existing electrical cables within the City of Toronto's public property allowance in front of or adjacent to your lot.

The civil and electrical portions of this project are expected to begin by **early March 2018** with an approximate completion date of **late December 2018**. The boundaries include **Annette Street** (North), **Wiltshire Avenue** (East), **Dupont Street** (South) and **Runnymede Road** (West).

Our crews and contractors will take extra care and precautions around your property. The portion of the driveway, sidewalk and other areas affected by our work will be restored upon completion of the project as season, weather and schedules permit.

We appreciate your cooperation and ask that you exercise caution around construction areas. We look forward to working with you.
