

IMPORTANT NOTICE

INVESTING IN YOUR NEIGHBOURHOOD

PROJECT: Dafoe – Strachan Phase 3	PROJECT INFORMATION #: X17181	
WARD: Davenport (Ward 18)	ACTIVITY: Overhead & Underground Civil & Electrical	TIMELINE: March 2018 – July 2018

February 12, 2018

Dear Valued Customer,

**Re: IMPORTANT NOTICE: Overhead & Underground Construction
Project Dafoe – Strachan Phase 3 (X17181)**

We're planning to rebuild the aging overhead and underground electrical system in your community to help improve service reliability. The rebuild includes the replacement of the existing electrical cables and hydro poles within the City of Toronto's public property allowance in front of or adjacent to your lot.

The civil and electrical portions of this project are expected to begin by **early March 2018** with an approximate completion date of **late July 2018**. The project area includes sections of **St. Clarens Avenue, Dundas Street West, Dufferin Street, Sorauren Avenue** and **Gordon Street** between **Sorauren Avenue** (West) and **Dufferin Street** (East). Throughout this project, planned outages may be necessary to switch from the old to the new electrical system and we intend to provide you with advance notice.

Our crews and contractors will take extra care and precautions around your property. Please note that we may require access to your property to install an underground duct. The portion of the driveway, sidewalk and other areas affected by our work will be restored upon completion of the project as season, weather and schedules permit.

We appreciate your cooperation and ask that you exercise caution around construction areas. We look forward to working with you.

For further information on **Project Dafoe – Strachan Phase 3**, please reference the contact information below.

Sincerely,

Fabian Cappelli
Customer Operations Representative
