

METROLINX

An agency of the Government of Ontario

PUBLIC MEETING NOTICE

DAVENPORT COMMUNITY RAIL OVERPASS

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves by building a fast, convenient and integrated transit network across the Greater Toronto and Hamilton Area (GTHA). Metrolinx is moving forward with Regional Express Rail (RER), a program that will provide significant new travel choices on the GO Transit network across the region.

WHAT WE ARE PLANNING

Metrolinx is planning to build an elevated rail corridor that follows the current GO Transit route between Bloor Street West and Davenport Road. The Davenport Community Rail Overpass project is intended to eliminate the 'Davenport Diamond', one of the busiest train intersections in North America, where CP Rail freight trains and GO Transit passenger trains cross at a ground-level rail crossing.

WHAT WE ARE DOING

Metrolinx is in the early stages of assessing the environmental impacts of this transit project by completing an Environmental Assessment following the Transit Project Assessment Process (TPAP), as prescribed by Ontario Regulation 231/08 made under the *Environmental Assessment Act*. As part of the TPAP, we are beginning our engagement with our neighbours and stakeholders.

COME AND MEET YOUR NEIGHBOURS

Metrolinx randomly recruited 36 residents to participate on a Residents' Reference Panel to work on behalf of their community to ensure that the Davenport Community Rail Overpass benefits the neighbourhood. The Panel invites you and your neighbours to be part of this process by engaging with Metrolinx and the Panel to learn more about the project, share your thoughts and to stay involved.

Please join us:

Date: Tuesday, May 12, 2015
Time: 7:00 p.m. – 9:00 p.m.
Location: Davenport Perth Neighbourhood Centre*
1900 Davenport Road
Toronto, ON M6N 1B7

*This location is accessible.

STAY CONNECTED

All comments and feedback received will be documented and will help inform the TPAP process. Stay up to date on the project by connecting with Metrolinx by:

- Visiting metrolinx.com/RERDavenport.
- Contacting us at RERDavenport@metrolinx.com and signing up for the electronic project newsletter.
- Following @Metrolinx and using the hashtag #RERDavenport.
