Dear Mr. Lazzaretto,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition regarding the ongoing horse deaths at the Santa Anita race track, and we have garnered over 4,000 signatures from people who are deeply concerned about this heartbreaking issue.

Horse racing is meant to be "entertaining," but these perpetual deaths are anything but entertaining. Since December 2018, 42 horses have died as a direct result of racing and something needs to be done to bring these unnecessary deaths to an end.

We look forward to hearing back from you about what is being done about the slew of race horse deaths at this plagued track.

Thank you for your time and consideration.
