

# Sign: Justice for Everett, puppy fighting for life after leg shot off

On Monday, the Leon County Humane Society was contacted about an injured puppy who was seeking shelter at a school yard in Liberty County. A volunteer with the animal welfare agency retrieved the pup and brought him to a veterinarian for care. An exam revealed that he had been shot at close range. The pup, dubbed Everett, is now fighting for his life at Buck Lake Animal Hospital.

Please join us in asking the local authorities to find the person responsible and charge them appropriately for this heinous act of cruelty!

It is not until the aftermath that you can see clearly and realize that true life can be more terrifying than a horror movie, that monsters are real and evil preys on the innocent." - unknown I am no longer accepting things I cannot change, I am changing things I cannot accept! We are all born with compassion RECLAIM YOURS! For the fate of the sons of men and the fate of beasts is the same; as one dies, so dies the other. They all have the same breath, and man has no advantage over the beast; for all is vanity. - Ecclesiastes 3:19 "Man can hardly even recognize the devils of his own creation." "We will never know true happiness until we learn compassion for all living things." - Dali Lahma "Those who deny freedom to others deserve it not for themselves." - Abraham Lincoln "He who passively accepts evil is as much involved in it as he who helps to perpetrate it. He who accepts evil without protesting against it is really cooperating with it." - Martin Luther King, Jr. "To a man whose mind is free there is something even more intolerable in the sufferings of animals than in the sufferings of man. For with the latter it is at least admitted that suffering is evil and that the man who causes it is a criminal. But thousands of animals are uselessly butchered every day without a shadow of remorse. If any man were to refer to it, he would be thought ridiculous. And that is the unpardonable crime." "What is man without the beasts? If all the beasts were gone, men would die from great loneliness of spirit. For whatever happens to the beasts, soon happens to man. All things are connected." - Chief Seattle "Until we have the courage to recognize cruelty for what it is...whether its victim is human or animal...we cannot expect things to be much better in this world...We cannot have peace among men whose hearts delight in killing any living creature. By every act that glorifies or even tolerates such moronic delight in killing we set back the progress of humanity." - Rachel Carson "If only we can overcome cruelty, to human and animal, with love and compassion we shall stand at the threshold of a new era in human moral and spiritual evolution - and realize, at last, our most unique quality: humanity." - Jane Goodall "The Greatness of a Nation and its Moral Progress can be Judged by the way its Animals are Treated!" - Mahatma Gandhi I feel so sad for the living, breathing, feeling animals that have suffered at the hands of men. 		mind cannot comprehend such behavior such lack of compassion. I wonder what goes on in the mind of such sick people who torture, neglect, abuse and fight animals with no sympathy or compassion for what they are doing. I do know that I feel our country has totally inadequate cruelty, abuse and neglect laws to help protect our animals. Even the states with the toughest laws could make tougher ones. No animal cruelty law should be less than a major felony. No neglect law should be less than a minor felony, at the least. And people caught fighting animals should be locked up for life.
