[Find Monster Who Decapitated Family's Cat! - Animal Victory](https://www.animalvictory.org/find_monster_who_decapitated_family_s_cat)

Pepper's killer must be found and punished! On the morning of March 30, a family in Suffolk County, New York, found their beloved cat, Pepper, decapitated in their backyard. A veterinary exam revealed that someone used a sharp instrument to slice off Pepper's head (which was not found with her body) and that she had suffered blunt force trauma.
