Sign a Petition. Save an Animal.

Lake County Prosecutor, Bernard A. Carter

Dear Prosecutor Carter,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for 52-year-old Paul R. Marshall, of Crown Point, to be severely punished for his cruel abuse of a cow.

Marshall was arrested after video evidence showed him dragging a cow who repeatedly fell to the ground. The video also showed Marshall beating and kicking the cow. This man has a history of inflicting abuse, including two separate instances involving the documented battery of his wife.

Over 8,600 people have signed our petition, asking for Marshall to be given the maximum sentence for his crime, as well as an order to never own or be in possession of animals moving forward.

We thank you for your time and consideration and look forward to any update that you are able to provide.
