Attn: District Attorney James Ritts

Dear District Attorney Ritts,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for 54-year-old Daniel Haas, of Webster, NY, to be punished for his cruel abuse of a young pit bull named DeeDee. Haas is accused of intentionally running over DeeDee, and then beating her with the headrest of his car.

Haas' behavior is unconscionable and over 10,600 people who signed our petition are in agreement that this man must be punished severely for his actions. It is our hope that Haas will receive the maximum punishment for his crime, in addition to substantial fines, restitution for the veterinary expenses created from DeeDee's injuries, and a directive to prohibit him from owning or possessing any pets moving forward.

We look forward to hearing back from you about this cruelty case. Thank you for your time and consideration.

Very Truly,

Janelle Babington and Penny Eims
