*Sign a Petition. Save an Animal.*

June 29, 2020

Dear County Attorney,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for David Goodburn to be punished for abandoning two bonded dogs in his apartment. Goodburn's actions resulted in the death of Nori and Brie, dogs who were adopted from the Animal Rescue League of Iowa just months before.

Nori and Brie suffered an agonizing death and over 10,000 people have signed our petition asking for Goodburn to be punished to the maximum extent possible for the crime.

We look forward to hearing back from you about the status of this animal cruelty case. Thank you for your time and consideration.

David Goodburn, 21, is accused of abandoning two bonded dogs who were adopted from the Animal Rescue League of Iowa this past March. The dogs, Nori and Brie, starved to death in the Des Moines apartment that Goodburn left them in.
