*Sign a Petition. Save an Animal.*

August 17, 2020

Dear Prosecutor Crystal Richmond,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for the person who ran into a family of geese in a northwest Oklahoma City neighborhood to be held accountable for a gosling's tragic death.

The horrifying act of cruelty was captured on video and it shows a truck speeding up and driving directly into family of federally protected Canada geese. **Over 8000 people have signed our petition** (please see attached) asking for the person responsible to be found and punished for this despicable act of cruelty.

It is our hope that this individual will be arrested and sentenced to time in federal prison for violating the Migratory Bird Treaty Act.

We look forward to hearing back from your agency about the status of the investigation into this incident. Thank you for your time and consideration.
