October 27, 2020

Dear City Prosecutor Ken Raines,

We are sending a total of **12,739 signatures** from supporters of our petition asking for the maximum punishment for Adam Callaghan. It's our understanding the court date is coming up soon.

It is also our understanding that Adam has been charged with a misdemeanor due to insufficient evidence to charge him with a felony. It's our belief the video provides crystal clear evidence that Adam did indeed abuse Echo with a broomstick. On that note, we are hoping you can fight for a felony charge based upon the video evidence.

If there is any information you can provide to us regarding Adam's charges and the outcome of these charges, we would sincerely appreciate it.

Thank you again for your time and consideration.

Very Truly,

***Janelle Babington and Penny Eims***
