Dear Texas Child Protective Services:

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition after learning about a concerning situation involving a minor who was caught on video abusing a German shepherd named Bella. We have learned that the authorities returned Bella to the family after failing to find injuries on her.

We are not only concerned for the dog who is in this violent and volatile situation, but for the welfare of the child as well. Where did he learn this violent behavior? And what will happen when the dog is pushed too far? In the video, the boy is screaming directly into the dog's face - when and if she reacts, the outcome will be tragic for the child, as well as the dog, who will be put down, despite the circumstances leading up to the bite.

You will find our petition, with **nearly 37,000 signatures**, below.

We look forward to hearing back from you about this troubling situation. Thank you for your time and consideration.

[Youth Abused Dog On Video And Dog Is Now Back With Family - Justice For Bella! - Animal Victory](https://www.animalvictory.org/youth_abused_dog_on_video_and_dog_is_now_back_with_family_justice_for_bella)

A beautiful German shepherd named Bella has been abused by an underage boy in Houston, Texas. Video footage captured the abusive behavior, and the dog was seized from her family.. Despite the damning evidence, Bella is back with her abuser!
