Sign a Petition. Save an Animal.

July 30, 2020

Dear Asst. U.S. Attorney Preston,

We are Janelle Babington and Penny Preston-Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Krystal Cherika Scott, of Kokomo, Indiana, to be punished for her participation in the making and distribution of animal crush videos. It is our understanding that Scott posted graphic images and videos of her torturing animals on various social media platforms.

Over **13,500 people have signed our petition** (linked below) asking for Scott to receive the maximum punishment for the multitude of charges that she is facing. Her violent and sadistic behavior is highly disturbing and indicative of a possible link to causing future harm to vulnerable humans.

We thank you for your hard work on this cruelty case and look forward to hearing back from you with an update for the thousands of people who signed the petition, and shared their comments, about this case.

Very Truly,

Janelle Babington and Penny Eims,

[Teen Faces Federal Charges For Creating Horrific 'Crush' Videos Of Tortured Cats And Dogs](#)

A teenager from Indiana tortured cats and dogs and posted images and video to social media. Now she must pay for her abhorrent behavior!
