*Sign a Petition. Save an Animal.*

August 7, 2020

Dear Anna Morrison-Ricordati and Harry Smith,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition at the request of Peter Cangelosi, with Pets and Vets USA, on behalf of Jordan, the dog who has been designated as "dangerous," following an incident outside of a pet store in Illinois.

Mr. Cangelosi explained the situation which led to Jordan's dangerous dog designation, and informed us that he has obtained your professional assistance for the upcoming trial.

As of today, our petition **garnered 9494 signatures along with comments** which we are presenting to you now (please see attached). We are hopeful that the show of support from thousands of people will be useful in the upcoming trial for Jordan.

We look forward to receiving a positive update about this situation. Thank you for your work on this important case.

Very Truly,

Janelle Babington and Penny Eims
