Sign a Petition. Save an Animal.

September 1, 2020

Dear City Marshal Robb Radley,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition on behalf of a cat named Sterling, who was tied up and set on fire. The cat was discovered in July in a Hildale, Utah, yard, and a veterinary exam revealed that the cat suffered severe injuries from what appears to be extreme torture.

Our petition was created to help raise awareness of this despicable crime, and hopefully find whoever is responsible. We are presenting the petition to you (please see below) with **over 16,500 signatures from people who hope to see the person responsible arrested, charged, and sentenced**. We hope to hear back from you about this animal cruelty investigation.

We thank you for your time and consideration in this important matter.

Very Truly,

Janelle Babington and Penny Eims
