TARGET: Spotsylvania County Commonwealth's Attorney's Office

Dear John Ackerman,

We are Janelle Babington and Penny Eims, animal welfare petitioners with [AnimalVictory.org](https://www.animalvictory.org). We recently created a petition regarding a horrific case of animal cruelty involving goats who were tortured to death with dogs, spiked bats, and a large machete. It is our understanding that the Spotsylvania Sheriff's Office has identified 36-year-old Andrew Haefele, 34-year-old Charles McKinney, 35-year-old Donald Compton, and 22-year-old Halie Morgan, as the individuals who are responsible for the torture and death of the two goats.

Our petition (which you will find linked below) garnered nearly **18,000 signatures from people who are hoping to see these violent criminals punished to the fullest extent of the law for their cruel and extraordinarily violent behavior.**

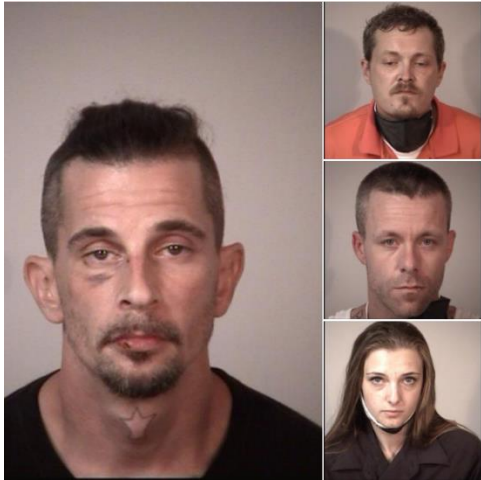

We look forward to hearing back from you with the latest information about this important case.

Thank you for your time and consideration.

Sincerely,

Janelle Babington and Penny Eims
