Target: Animal Care Center Director: Cheri Baisden

Dear Cheri Baisden,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition on behalf of a young cat who died after being shot repeatedly in the face with a mini crossbow. **Over 4300 people signed our petition** (please see link below) asking for the person responsible to be identified, charged, and arrested.

It is our understanding that the investigation into this cruelty case is ongoing. We are hopeful that your agency has received a lead which will result in an arrest and charges, and we look forward to hearing back from you about the status of this case. Thank you for your time and consideration.
