Sign a Petition. Save an Animal.

Target: Wyckoff Police Department

To Whom it May Concern:

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition after a group of disrespectful teens trespassed on a farm in Wyckoff, New Jersey. **Nearly 13,000 people signed our petition (please see link below)** asking for the people involved to be appropriately charged and punished for their participation in this disturbing incident.

Jimmy Abma, a worker at the farm, described the trauma the farm animals experienced, stating, "Our animals are very shaken and skittish compared to their normal calm and relaxed nature, and our mini horse has signs of physical abuse. The sheer disrespect that some people have is truly infuriating."

It is our understanding that this cruelty case is under investigation. We are hopeful that your agency has received tips which will lead to arrests, and we look forward to hearing back from you with an update. Thank you for your time and consideration.
