*Sign a Petition. Save an Animal.*

September 24, 2020

Dear Detective David Chabot,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We understand that your department is actively investigating an animal cruelty case against Jeffrey Previte, who was caught on video abusing his dog, Bici.

We created a petition asking for Previte to be charged for his deplorable behavior and **over 18,500 people have signed** (please see link below).

We are hopeful that you can include our petition with the evidence that you have collected for the filing authority.

Thank you for your hard work on this cruelty case and we look forward to hearing back from you with an update about criminal charges.
