*Sign a Petition. Save an Animal.*

October 20, 2020

Dear Prosecutor Donna Frazier,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for the youths involved in the abuse of a dog to be found and charged. The kids were captured on video shoving a dog's head under water in a drainage ditch, and then throwing her into a muddy puddle. The fate of the dog who was victimized is unknown.

We are told if there is an arrest that you would be the prosecuting attorney. **Over 19,400 people have signed our petition** (please see link below) asking for the youths involved in this situation to be identified and charged for their despicable behavior. We are hopeful that there has been a lead in the case which will result in charges. We look forward to hearing from you about the status of this ongoing cruelty investigation.

Thank you for your time and consideration.
