Sign a Petition. Save an Animal.

October 2, 2020

Dear State Attorney Kim Foxx,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Adam Hollingsworth, Chicago's so-called "Dreadhead Cowboy," to receive the maximum punishment for his abuse of a senior horse named NuNu. Hollingsworth caused NuNu significant injury in a publicity stunt. The 20-year-old horse was too exhausted to stand by the end of her run along the Dan Ryan Expressway, and she was injured badly enough that experts initially feared that she may have to be euthanized.

Over 16,000 people have signed our petition (please see link below) asking for Hollingsworth to receive the maximum punishment for his felony animal cruelty charge, and for he to lose custody of NuNu and any other horse who may currently be in his possession.

We look forward to hearing back from you with an update about this important animal cruelty case. Thank you for your time and consideration.
